DESCRIPTION/JUSTIFICATION	
	<p>Reallocation of funding from the 2018 CIP Budget from the Finn Hill Trail Connections (non-CKC) project to a new project titled Juanita Heights Park Trail Feasibility, Acquisition and Development. The proposed trail will require background studies and analysis such as critical area delineation, topographic survey, and limited geotechnical work to more fully understand the constraints of the site. This refined scope will provide the necessary information to determine construction feasibility and cost estimates. Easements and acquisitions may be included in the project as appropriate.</p>
